The Old Testament point forward to Jesus. This year prepare for Easter by looking at Bible prophecies that Jesus fulfilled with his life, death and resurrection. Discover fresh that the life of Jesus was no accident. It was planned out for thousands of years so there could be no doubt to anyone who really wants to know the truth. Jesus is the Son of God, the Messiah he promised. Want proof? God has provided it for you.

To prepare for Easter the early church designated 40 days before Easter Sunday (excluding Sundays) as a time of preparation and personal growth. There is a chart for the forty days to help you in preparation. Read the scriptures and then ask God to guide you in understanding His will for your life. You can also use the following five suggestions to make this a better time of preparation and personal growth.

Here are five things you can do during the 40 days to help prepare for Easter. Each one is left blank so you can apply these to your life. Pastor will be sharing different ideas each week. If you have one you would like to share with him, write it down and pass it along.

1. **Keep life Simple:** (add positives & remove negatives)
2. **Name the Needs:** (extending your prayer life)
3. **Follow Directions:** (applying the Word of God)
4. **Share the Experience:** (inside your local church family)
5. **Caring for others:** (reaching out to the world you touch daily)
