### **THE DANGER OF FALLING AWAY**

There is a great debate among Christians. It has two distinct parts. First are followers of Christ the only ones who go to heaven? Second, can a follower of Christ lose their salvation after getting saved. Jesus answers the first one in John 14.6. (Jesus words not mine.) The second one is answered here.

- ❑ Hebrews 6.4-5 What 5 items does he set as the foundation of the lives of people who are followers of Christ?
  
- ❑ Hebrews 6.6 What does he say can happen to them and what is the results of this happening? (see also 1 Corinthians 9.27)
  
- ❑ Why is this such a significant event to God that he would take such a drastic action against a person?
  
- ❑ Hebrews 6.7-8 What illustration does the writer use to illustrate this so it can be better understood?
