These are included to help get you started with your devotional each day.

1. **(Sun)** This week you will take an overlook of the life of Jesus as you prepare to look at His life one day at a time.
2. **(Mon)** Watch for the different ways Jesus is perceived by the people. How does this compare to the world today?
3. **(Tue)** Watch for all the individuals involved in the transfiguration of Jesus. Why do you think they were all there?
4. **(Wed)** Watch for the reason Jesus was on the mountain, and the lesson that the disciples were taught.
5. **(Thu)** Watch for what is different here from the previous two days. What were they talking to Jesus about? Why would this be important?
6. **(Fri)** Watch for the interaction between the Father and the Son. Why would Jesus being baptized be so important so that it appears in three gospels?
7. **(Sat)** Watch for the authority of Jesus and His relationship to God the Father.
