- ♦ I rejoice greatly in the Lord that at last you have renewed your concern for me. Indeed, you have been concerned, but you had no opportunity to show it. I am not saying this because I am in need, for I have learned to be content whatever the circumstances. I know what it is to be in _____, and I know what it is to have _____. I have learned the secret of being content in any and every situation, whether _____ or _____, whether living in _____ or in _____. I can do _____ through him who gives me strength.
