GOD Time

2 Peter 3.8-9

- ◆ But do not overlook this one fact, beloved, that with the Lord one day is as a thousand years, and a thousand years as one day. The Lord is not slow to fulfill his promise as some count slowness, but is patient toward you, not wishing that any should perish, but that all should reach repentance.
- ◆ ONE KEY FACT: God's Time is _____ than My Time.
- ◆ GOD TIME:
- ◆ God functions outside of time and space as we know it. He sees things in our _____, which is his _____.

- ♦ one _____ is as a thousand _____ ,
and a thousand _____ as one _____ .
- ♦ God keeps His _____ .
- ♦ Jesus delays so more can be part of His promise.
"That all should reach _____ ."

MY Time

Ephesians 5.15-17

- ♦ Look carefully then how you walk, not as unwise but as wise, making the best use of the time, because the days are evil. Therefore do not be foolish, but understand what the will of the Lord is.
- ♦ Caution advised: _____ ahead!

The Bible is much like an onion. It is layer upon layer. *"All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness."* 1 Timothy 3.16 This week the challenge is to let the Bible speak to you about a list of various subjects. These may seem random until you see that the Bible is designed to answer questions and to guide us into all understanding about God and His will for our lives. Blessings on you. Take time to not just answer the questions but to dig a little deeper and see what God wants you to see.

Monday: Read 1 Corinthians 2.16, Ephesians 4.17-19 & Romans 12.1-2 What does God want me to understand or think?

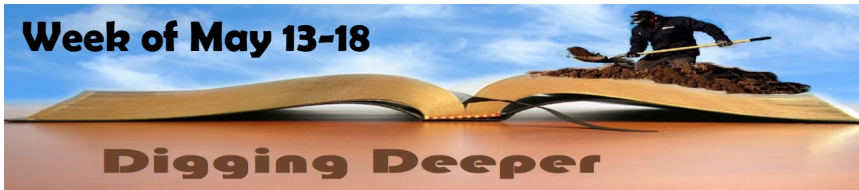

Tuesday: Read Luke 8.9-15 Key verse 15. What does God want me to believe?

Wednesday: Read Psalm 42.1-2 & Proverbs 24.1-2 What does God want me to desire?

Thursday: Read Romans 12.9-17 What Does God want me to do?

Friday: Read Revelations 4.8, Psalm 23.1-6, Matthew 28.18-20 What do I learn about God?

BONUS: Read 1 Peter 1.3-5, 1 John 1.5-10, 1 Peter 2.4-12 What do I learn about relating to God?

What does it mean to be a disciple or follower of Jesus. Jesus set some pretty high standards. Study the following and **don't get discouraged** if it seems really hard. The closer you get to Jesus the easier it gets. Remember you can look at the scriptures before and after the ones in this week's lesson to help you understand.

Monday: Pastor Bob mentioned these Sunday. How do the following scriptures help us understand what it means to follow Jesus? Mark 1.17, 2.14, 8.34, 10.21.

Tuesday: What does it take to be a disciple of Jesus? Luke 14.26-33 How would you apply verses 26, 27 & 33 to how a believer lives in today's world.

Wednesday: Read Matthew 25.14-30 To follow Jesus includes serving Him. How did the servants serve their master best? Why did the one come up short? How did the master respond to the servants, and what does this say about our serving Jesus in our daily lives?

Thursday: Read Mark 12.30 How can you love the Lord in the different ways listed in this verse? You may need to let this one marinate in your mind for awhile.

Friday: Read John 15.18-27 Jesus was always honest with His disciples. What do we learn about being a follower of Jesus here? Why would Jesus want us to know this? How can knowing this help us in our daily lives as Easter People in a Good Friday world?

BONUS: John 15.12-17 What does it take to be a disciple of Jesus? What is the ultimate goal of a servant or follower of Jesus? How is this goal reached and what is the promise of Jesus to all who discover this secret?
